Bla, bla, bla
I just don't wanna creep
I never had you
Baby I'll forget you

Bla, bla, bla
You will not turn me on
I never had you
That's why I look up now!!!
Yeah! yeah!

Bla, bla, bla
For a beat of your touch
I'll go to pieces
Soul, dick and pities

Bla, bla, bla
Are you ready or not?
Why don't we break up?
I'm gonna be alright, yeah!

I've been waiting so long
To find how I can get you
When you're gone
I've been falling so low
It's not the way I like it
Don't you know?

Bla, bla, bla
Are you going (ready) or not?
C'mon I'll get you
C'mon I'll get you

Bla, bla bla
Our playground love
Turns to a blue field
Where I woke up ill
No. No, no, no!!!

Bla, bla, bla
Love and politic noise
Are just a lost cause

Where words are used pose

Bla, bla bla
R'N'R shot at me
Love gets me dastard
You Peter Pan bastard!!!
Hey!

(1.-) We've been waiting so long
Searching gold in Peepshows
On and on
It's a crazy world
That's the way I like it
Don't you know
That's right!!!
One, two!!!
