Deadly as the viper peering from its coil
The poison there is coming to the boil
Ticking like to time bomb, the fuse is running short
On the verge of snapping if it's caught

And all the pressure that's been building up
For all these years it bore the load
The cracks appear, the frame starts to distort
It's ready to explode

Jawbreaker

Crouching in the corner, wound up as a spring
Piercing eyes that flash are shimmering
Muscles all contorted, claws dug in the dirt
Every ounce of fiber on alert

And all the pressure that's been building up
For all these years it bore the load
The cracks appear, the frame starts to distort
It's ready to explode

Jawbreaker

And all the pressure that's been building up
For all these years it bore the load
The cracks appear, the frame starts to distort
It's ready to explode
