(China Burton/Nick Straker)

Do you want it right now ? Do you want it right now,
right now ? Ooh yeah

Do you know how lucky I feel I am
To find a man who loves me, as I am ?
You never try to change a single part of me
You're easy to love, with those qualities
Everyday you teach me more and more, inside me I
want to glow
And every night you think of only me
Oh you keep me satisfied, you do all the things I like

I want you, oh I want you so
Do you want it right now ? Oh, I can't let go
I want you so bad, give me all you have
I can show you how, do you want it right now ?
Do you want it right now ?

You have a rare sensitivity, I really believe you know
how to feel
I trust you with all my heart and soul
You care too much you want to take control
And every day you teach me more and more, inside
me, I want to glow
Every night you think of only me
Oh you keep me satisfied, you do all the things I like

I want you, oh I want you so
Do you want it right now ? Oh, I can't let go
I want you so bad, give me all you have
I can show you how, do you want it right now ?

Everyday you teach me more and more, inside me I
want to glow
And every night you think of only me
Oh you keep me satisfied, you do all the things I like,
oh yeah, yeah

Do you want it, want it right now ? I can hear it from you

right now
Do you want it want it right now ?
Right here, right now, right now, right now
Do you want it, want it right now ? I can hear it from you
right now
Do you want it want it right now ?
Right here, right now, right now, right now

I want you, oh I want you so bad
Do you want it right now ? Oh I can't let go
I want you so bad, give me all you have
I'll show you how, do you want it right now ?
I want you, oh I want you so, do you want it right now ?
Oh I can't let go
I want you so bad, give me all you have
I can show you how, do you want it right now ?
I want ya, oh I want ya so, do you want it right now ? Oh
I can't let go
I want ya so bad, give me all you have
I can show you how, do you want it right now ?
