I'm sitting here I'm trying to figure out,  
what I should sing to you.  
There's so many things going through my head,  
but all I can see is you.  
Never been quite good at this,  
you know I tried so hard.  
You'd fall asleep watching Bill and Ted,  
and you'd wake up in my arms.

Don't go,  
don't go,  
don't go.

I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you.

I try to make a life for us,  
with you with this guitar.  
The first time I ever sung to you,  
you'd never laughed so hard.  
You know you looked so beautiful,  
standing in your dress.  
I try to show off all my moves,  
but you know that I can't dance.  
Don't go(don't go),  
don't go(don't go),  
don't go.

I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you.

Sit back we'll watch our lives,  
you know we've had the best times.  
I'm so happy just lying here with you.

So take my life,  
just pull my strings.  
Guess my life won't mean a thing,

no nothing without you.

I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you.  
I wrap my arms,  
I wrap my arms.  
I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you,  
I wrap my arms around you.
