When I was young  
There were no clouds in my sky  
When I grew up,  
I said: "you will be mine"  
There are promises  
I made to your heart  
In the name of the Lord and the stars

Day after day  
And night after night  
I'm working hard  
All for your eyes  
But having not so much  
All I have now is yours  
Let me be your man and let me start

Long is the story, story of my life  
Tell me why I paid this price.  
Me and my loneliness,  
Side by side walk down this way.

Yesterday I can't forget
