The shadow of my thought is flyin'  
Towards the sea of memory.  
My sin was to kill a man for pride,  
So now I'm expiating

My soul was falling  
Into my inner pain. - Oh!

I spent my life to pay my price.  
I spent my life to fight for rights.  
The Calling is my way of life.  
Now I live to reach the God's Design.

The fate is drawing  
A new high aim for me.

MY ANCIENT MEMORY WILL RIDE  
ACROSS MY YOUNG AGE  
AND MY FOOLISH PRIDE.  
THIS BREAD IS STILL REMINDIN' ME,  
THAT FORGIVENESS IS  
FREEDOM FOR MY SOUL... (FROM MY SIN).

Feeling Grace in me,  
Prayin' down on my knees
