Let go of all
Your preconceived notions about me
And let me set the record straight
I'm not the person that they said I was
I'll show you that we're more

You won't be alone
If you fall I fall too
Cause we've got nothing to lose
What else can we do?

Listen to these words I say
With meaning and structure
And let me set the record straight
I'm not planning on leaving you so helpless
So helpless and alone

You won't be alone
If you fall I fall too
Cause we've got nothing to lose
What else can we do?

And you'll find out
So easily
I promise you
(I promise you)

So take these words
For what they're worth
Just one last chance
To show the world
So take these words
For what they're worth
I promise you
I promise

You won't be alone
If you fall I fall too
Cause we've got nothing to lose
What else can we do?

You won't be alone

If you fall I fall too
Cause we've got nothing to lose
What else can we do?
