I'm sorry if it hurts
But this was no accident
Our only chance is to run
There's a murderer after us

Just hold on princess
'Cause you see where I am
And you're never gonna be no
No your never gonna be there again
And as we waltz around this ballroom
For the last time, baby it's midnight

Can you here the bells chiming?
They're calling you back to the beginning

Oh, love is so overrated, and I'm gone
Tell me this can't be happening
This can't be happening again
And we thought that we had the best
Of this time that we spent
I'm sorry if it hurts

You've got a front row seat
To watch me bleed
Away, away, away, away
There's a murderer among us who wishes death to
lovers
Away, away
There's a murderer after us

Oh, love is so overrated, and I'm gone
Tell me this can't be happening
This can't be happening again
And we thought that we had the best
Of this time that we spent
I'm sorry if it hurts

There's an angel and he's dressed in black
I don't think that he's come to save us
We must run as fast as we can

Oh, love is so overrated, and I'm gone

Tell me this can't be happening
This can't be happening again
And we thought that we had the best
Of this time that we spent
I'm sorry if it hurts

And we all just waltz away
