Entire lives spent finding the seconds intent,  
It poisons our thoughts and we seem to forget.  
The seconds end one minute,  
With no attempt at starting.

We rise and fall,  
All in a circular view.  
So get it right this time,  
No second chance to...  
We rise and fall,  
Into the visions of two.  
But which is right,  
When you have fallen through?

Stuck with perception of the all eyes looking in,  
Afraid expression winds up breaking the skin.  
So we sit watching confused,  
Why it all ended so soon.

We rise and fall,  
All in a circular view.  
So get it right this time,  
No second chance to...  
We rise and fall,  
Into the visions of two.  
But which is right,  
When you have fallen through?

We sold hope to witness it all below,  
We sold hope a feeling that's so alone.

We sold hope to witness it all below,  
We sold hope a feeling that's so alone.

Alone.

We rise and fall,  
All in a circular view.  
So get it right this time,  
No second chance to...  
We rise and fall,

Into the visions of two.  
But which is right,  
When you have fallen through?
