Fear of love we love to hate,
The only true escape.
Saves you from suffering,
Saves me from ever healing.
You find the boundary line,
I'll build my wall inside,
Sinking deeper into everlasting hate,
We've found the devil's gate and we...

SCREAM "Do I deserve this life?"
But everything just falls apart in the end,
Inside we just..
SCREAM "Is everything alright?"
But everything just fades away in the end.

Fear of love we love to fear,
The things we hold so dear.
Saves me from suffering,
Saves you from ever healing.
Is there peace beyond
The prison we have found?
Sinking deeper into everlasting hate,
We've found the devil's gate, and no one seems to
hear us...

SCREAM "Do I deserve this life?"
But everything just falls apart in the end,
Inside we just..
SCREAM "Is everything alright?"
But everything just fades away in the end.

And I don't ever want,
To see you feel this,
To see you need it,
And end up like this.
All I ever want,
Is slipping away,
Is pushing away,
And giving up on me.

SCREAM "Do I deserve this life?"

But everything just falls apart in the end,
Inside we just...
SCREAM "Is everything alright?"
But everything just fades away in the end.

SCREAM!!
SCREAM!!
