I'm yours only for the moment  
Let's see what lies in store here  
In this wicked content you bear

In this phony coming  
It's very crystal clear  
I am now re-stricken in fair

Your so complex and omnipresent without care  
While in-discretened patiently holding a stare

Well now, now that the stage is set  
I'll watch, watch as you go ahead  
And captivate your audience

Endure our close arrangement  
Behind familiar doors here  
Sheltered by this burden we share

Anxiously awaiting  
Confined within this sphere  
Is there nothing more you can spare

Your emptiness gives willingness to take what's rare  
While in-discretned patiently holding a glare

Well now, now that the stage is set  
I'll watch, watch as you go ahead  
And captivate your audience

Well now, now that the stage is set  
I'll watch, watch as you go ahead  
And captivate your audience

(Solo)

Well now, now that the stage is set  
I'll watch, watch as you go ahead  
And captivate your audience

(Your emptiness gives willingness to take what's rare)  
Well now, now that the stage is set

(While in-discreted patiently holding a glare)  
I'll watch, watch as you go ahead  
And captivate your audience

(Your emptiness gives willingness to take what's rare)  
Well now, now that the stage is set  
(While in-discreted patiently holding a glare)  
I'll watch, watch as you go ahead  
And captivate your audience
