I want him to know
What I have done
I want him to know
It's bad

I want him to know
What I have done
I want him to know
Right now

It may be this time tomorrow
or maybe today
It is now alright
Now it's better
Now we'll know
Now he'll know what I am feeling

I'm sitting with you
Sitting in silence
Listening to birds
It feels like home

Singing in tune together
A psalm for no one
They sing in tune
Boy, your love - it's home

They sing into the night now
They sing on for me
They sing into the night, and

(hopelandic)

You...
You're still next to me, alright
