We cut The look Now it stings in Blinding light

Now it melts At last And flow in Daylight

Now drag and stretch oneself And drag out the arm Try to receive And brake over falling places (?) Running blood in the veins

On the skin All over Hitch claws in And scratch in

Now drag and stretch oneself
And drag out the arm
Try to receive
And brake over falling places (?)
Raise by the abdomen
Spine
Running blood in the veins

Don't tell anyone Don't tell anyone

Don't tell anyone Don't tell anyone

Don't tell anyone Don't tell anyone

Now drag and stretch oneself And drag out the arm Try to receive And brake over falling places (?)
Raise by the abdomen
Spine
Running blood in the veins
