

Sigur Ros "Staralfur"

Visit "[Staralfur](#)" on MotoLyrics.com

Bla ntt yfir himininn
Bla ntt yfir mr
Horf-inn ut um gluggann
Minn me hendur
Faldar undir kinn
Hugsum daginn minn
dag og i gr
Bla nattftin kla mig i
Beint upp i rum
Breii mjuku sngina
Loka augunum
g fel hausinn undir sng
Starir a mig litill alfur
Hleypur a mr en hreyfist ekki
Ur sta - sjalfur
Staralfur
Opna augun
Stirurnar ur
Teygi mig og tel
Kominn aftur og alltalltil
Samt vantar eitthva
(Eins og alla veggina)

Blue Night Over The Sky
Blue Night Over Me
Disappeared Out Of The Window
Me With Hands
Hidden Under My Cheek
I Think About My Day
Today And Yesterday
I Put On My Blue Nighties
Go Straight To Bed
I Pull The Soft Covers Over
Close My Eyes
I Hide My Head Under The Covers
A Little Elf Stares At Me
Runs Towards Me But Doesnt Move
From Place - Himself
A Staring Elf
I Open My Eyes
Take The Crusts Out
Stretch Myself And Check (If I Havent)

Returned Again And Everything Is Okay
Still There Is Something Missing
Like All The Walls
