Blue Night Over The Sky  
Blue Night Over Me  
Dis-appeared Out Of The Window  
Me With Hands  
Hidden Under My Cheek  
I Think About My Day  
Today And Yesterday  
I Put On My Blue Nighties  
Go Straight To Bed  
I Pull The Soft Covers Over  
Close My Eyes  
I Hide My Head Under The Covers  
A Little Elf Stares At Me  
Runs Towards Me But Doesnt Move  
From Place - Himself  
A Staring Elf  
I Open My Eyes  
Take The Crusts Out  
Stretch Myself And Check (If I Havent)  
Returned Again And Everything Is Okay  
Still There Is Something Missing  
Like All The Walls
