This morning
what shadow
would knock on
my window
I might see
it later
can't deal with
this flavor
It's there for
the taking
but my heart's just not in it
Just sleeping
is touching
It's better
than nothing
Let me know if you go there
Mark's having
a hard time
on orange
and sunshine
Hal's spilling
malt liquor
on his Minor
Threat sticker
I'm talking
no chances
no trouble
no acid
Let's wig out
at denko's
on Coke and
Doritos
Let me know if you go there
The t.v. is so loud
but it's not outside
The stereo is too loud
so take it outside
Let's wig out at denko's
someone let yoni drive
