Te hognel es indzanic,  
If you 've become tired of my love,  
Heracir,  
Go away  
Mi lacir,  
Don't cry

Te hognel es qo baxtic,  
If you 've become tired of you'r luck,  
Moracir,  
Forget it

Mi taxcir.  
Don't be Sad  
Zut u puch patcharner  
Lies and empty reasons  
U anqun gisherner  
And sleepless night  
Vorn I'm sirtn e potorkel  
That I've caused a storm in my heat  
Jerm u pagh hambuyrner  
Warm and Cold Kisses  
Anavart xostumner  
Never ending Promises  
Chem uzum el qez Isel.  
I don't want to listen to you anymore  
De gna, de gna, de gna,  
Then Go Then Go Then Go  
De gna I'm kyanqic,  
Then go from my life  
Vor noric qez kanchem,  
So I can call you again  
Mi mna, mi mna, mi mna,  
Don't stay Don't stay Don't stay  
Mi mna I'm koghqin,  
Don't stay by my side  
Vor sirud karotem.  
So I can miss your love

Te sirel es indz mi qich  
If you've love me a little  
Heracir,

Go away

Mi tanjir,  
Don't torture me

Te Xghchum es indz mi qich  
If you feel bad for me a little  
Moracir,  
Forget it  
Mi taxcir.  
Don't be sad  
Qaghcr sut patcharner,  
Sweet and Untrue Reasons  
Lur u munj hayacqner  
Slight's That Are Silent And Without Words  
U vochin chasogh achqer,  
And Eyes that say Nothing  
Jamanakn e ekel  
The Time Has come  
Chem uzum yerkmel  
I don't want to Question (Not Trust)  
Heracir,  
Go away  
Petq che spasel.  
There is no need to wait  
De gna, de gna, de gna,  
Then Go Then Go Then Go

De gna I'm kyanqic  
Then go from my life  
Vor noric qez kanchem,

So I can call you again  
Mi mna, mi mna, mi mna,  
Don't stay Don't stay Don't stay  
Mi mna I'm koghqin,  
Don't stay by my side  
Vor sirud karotem.  
So I can miss you'r Love  
De gna I'm kyanqic  
Then Go from My Life  
Vor noric qez kanchem,  
So I can call you again  
Mi mna, mi mna, mi mna,  
Don't stay Don't stay Don't stay  
Mi mna I'm koghqin  
Don't stay by my side  
Vor sirud karotem.  
So I can miss you'r Love

Te hognel es qo baxtic  
If you've become tired of your luck  
Moracir...  
Forget it...
