[Verse 1:]

Iâ€™ve never met someone as perfect as you
Without a single flaw, it seems you always draw me in
We make decisions that weâ€™ll later regret
But itâ€™s not necessary, to make this so temporary

[Pre-chorus:]

Weâ€™ve been thru hell
(Weâ€™ve been thru hell)
But we always found a way to work things out
Weâ€™ve come too far to destroy something so
wonderful

[Chorus:]

Just give me a sign
To let me know
Is your heart still mine
Or should I just let go?
Iâ€™ll give you all the time you need
If you come back to me
Come back to me

[Verse 2:]

Itâ€™s the distance that kills us
But Iâ€™ll give you your space
If it makes you happy enough
To put a smile on your face
If this is really the end
I have one final confession
That since our eyes met
Iâ€™ve always felt I was in
Heaven
When we touched
Heaven
When you smiled
Heaven
When weâ€™d kiss
Heaven
All the while

[Bridge 1:]

Why canâ€™t you lie to me?

Tell me what I want to hear
Lie to me

[Bridge 2:]
How could you do this to me?
Can you change your mind?
It's not impossible
It's just another obstacle
Saying sorry,
Won't make things any better
But I can forgive and forget
(forgive and forget)
Forgive and forget

[Coda:]
Just give me a sign
Come back to me
How could you, how could you do this to me?
What about our, what about our love?

I loved you so damn much.
