Is There's a meaning in tragedy,  
What is happening to the world which we live,  
Should we suffer through this endless pain,  
If there's a god help us all,

(Chorus)

The fight never stop,  
Within this pain,  
We must stand strong,  
And hold my hand,

We must stand fight,  
Over this endless battle,  
Must survive until the end,  
Must stand strong and make until the end,

(Chorus)

The fight never stop,  
And hold my hand,  
Make it until the end,

(Breakdown)

(Why we must fight)
