"Proud To Be Canadian"

I'm proud to be a Canadian
Pass me another beer
I'm proud to be a Canadian
Hold my seat while i take a piss

Our prime minister sucks dogshit through his nose
His ex-wife gets brown showers from Mick Jagger
The only reason we live in fucking igloos
Is our government makes a living licking shit holes

I'm proud to be a Canadian
Pass me another welfare check
I'm proud to be a Canadian
Hold my seat while i go out and ca\$h it

I'm proud to be a Canadian
Pass me another eskimo
I'm proud to be a Canadian
Hold my seat while i fuck her up the ass hole
