look at part of this Game  
it's Simple and Impressive  
Bitter Hopelessness, Sad  
I feel it all over my Body

Figure of Bird with Broken Wings  
is looking Blue at Heaven  
Flames are burning the Earth  
and Scream broke the Curtain

God, don't hide your Look  
Allow me to Fly up to Beams

Save me from Pain  
I don't want to be burned in Hell

Nothing of it is the Truth  
Dream to Feel it  
Metaphor for your Lonely Soul  
there's Falsehood in the Truth

God, don't hide...  
Figure of a Bird...  
God, don't hide...
