Do You think about Love ?
So What do You think about ?
Do You think about Life ?
So What do You feel within ?

All the Things You see accumulate
The Beauty in Thee fades to gray
Nothing Is pure and stays the Same way
So What do You feel Inside ?
Empty Words You say eradicate
All Things You feel too Late

Lovin' on the Earth
Like a Cancerous spider in Your Heart
A Tombstone for the Pure ones Dead
All the Filth was Beauty in my Eyes
Everything died
Now that Love Lies Bleeding
Of Hate and Pain I Cry
Now that Love Lies Bleeding
Splendour Blinds my Eyes
Now that Love Lies Bleeding
Everything dies
Now that Love Lies Bleeding

Do You think of it Now ?
So where's Your Hatred now ?
Do You think of the Times ?
So What do You think of Them Now ?
All Things You see I consecrate
Poison, there's Poison in Them

Lovin' on the Earth...

Love Lies
Do You think about Death ?
So do You think about Love ?
So do You think ?
Love Lies Bleeding...

Lovin' on the Earth...
