I can't keep up,
Can't keep track with what's happening
Look at me now, am I sane? I'm insane!
Oh I can't keep up,
Can't keep track with what's happening
No

Oh, are we more than a wispy dream
Are we more than a blade of grass
Would you cut me out without a second thought
When we're rushing this life to pass
Numbing our minds from love

I can't keep up,
Can't keep track with what's happening
Look at me now, am I sane? I'm insane!
Oh I can't keep up,
Can't keep track with what's happening
No
[x2]

Oh, count the stars in the sky, they see
Just how much it means when we
Suffer all our enemies
When we're rushing this life to pass
Numbing our minds from love

I can't keep up,
Can't keep track with what's happening
Look at me now, am I sane? I'm insane!
Oh I can't keep up,
Can't keep track with what's happening
No
[x2]

I can't keep up,
I can't keep track with what's happening.
I can't keep up,
I can't keep track with what's happening.
I can't keep up,
I can't keep track,

I can't keep up.
I can't keep up,
I can't keep track,
I can't keep up.
