Silje Nergaard - Fall

Fallin - down again
I think I see your eyes again
walking to the light
knowing your not here tonight
I'm falling, false alarm
Thought I had you in my arms -
I'm falling down again
Falling down again -

Falling, slow but sure
Truth can be so hard to cure
lying to my heart
every time we spend apart
I'm falling - it hurts so much
Thought I felt your tender touch
Falling dwn again
Faling down

Never gonna hold you close again
never find a new way to begin
never gonna feel the gentle rainfall
of your tears upon my skin
never gonna dream of whre you are
never gonna wish upon your star
never gonna think about
te way you made me fall -

Falling - little one
flying too close to the sun
I'm trying - I can't forget
memories of the way we met
I'm fallin- torn apart
Wish I didn't have a heart
that's falling down again
falling dawn

Never gonna hold you close again
never find a new way to begin
never gonna feel the gentle rainfall

of your tears upon my skin
never gonna dream of where you are
never gonna wish upon your star
never gonna think about
the way you made me fall -

Some day I may find another rainbow
some day I may find a way not to fall -
