Silje Nergaard - For Tomorrow

If you come around this evening
I think I'll have to tell it all
how you wasted all my secrets
how you never heard my call

If it's so hard to remember
in that land behind your eyes
won't you come relive this feeling
the time when I was yours and you were mine

I've been waiting for tomorrow
holding on to yesterday
and I've been searching for the moment
Oh, why are you so far away?
Why are you so far away

If you wanna know my story
It should be written on your wall
Every time you see our picture
taken as the leaves begin to fall -

I've been waiting for tomorrow
holding on to yesterday
and I've been searching for the moment
Oh, why are you so far away?
Why are you so far away
