Let there be you,
let there be me.
Let there be oysters,
under the sea.
Let there be wind,
and occasional rain.
chilli con carne,
sparkling champagne.

Let there be birds,
that sing in the trees.
Someone to bless me,
whenever I sneeze.
Let there be cool-cools
a lark and a dawn.
But first of all:
Please, let there be love.
Ohh, love.
Ahh, let there be love.
Let there be love.

Let there be birds,
that sings in the trees.
Someone to bless me,
whenever I sneeze.
Let there be cool-cools,
a lark and a dawn.
But first of all:
Please, let there be love.
Ohh, love.
ahh, let there be love.
Let there be love.
