Silje Nergaard - Roundabout

Well, what can I write to you?  
What can I really say?  
You've made me happy  
you've made me kind of give  
all these things inside my head  
and I don't really know you yet  
I know, I know, I know that it's you -  
You I want to talk to -

All those funny dys we had  
We walked around, I wonder where  
I think it rained, I didn't care  
and that party when I got so loose  
kind of crazy, kind of wild  
I yelled in the bathroom for a while  
There's one, there's one, there's one  
and it's you - you I want to talk to

Hey - what did you do to me?  
Hey - where did you go?  
Hey - what did I do to you - Oh boy -

Well I'll kep a place for you  
clouns can be so mean  
You've painted birds across a rainy sky  
Oh, there must be something here  
The butterflies are everywhere -  
THere's one, there's one, there's one  
and it's YOU, YOU I want to talk to -

Hey - what did you do to me?  
Hey - where did you go?  
Hey - what did I do to you - Oh boy -
