Silje Nergaard - Waltz for you

Dark alley, moon above
the sounds of no one there
I walk and walk, I walk alone
my steps are all I hear
the sky is full of sleepy stars
blinking with their eyes
I know you're watching from your door
I'm leaving you behind

But this son's for you
For you

So here I am, I'm all alone
in the middle of the night
This harmless heart keeps moving on
you said you wouldn't cry -
The moon looks down on you, on me
it stares and stares and stares
Sad, so sad this closing scene
I cannot turn my head

But this son's for you
For you
