She's in love, with her head up high
Used to dream 'bout her and I
She's got it all, but still wants more
That's why she says, she's leaving the world

She's lost, and full of lies
And I tell her so, but she don't mind
Cuz she's in love, with the tears she cries
And I just kiss my love goodbye

She changed it all, wanted her own way
No matter what I do, but she don't wanna stay
Cuz she want to be, someone I can't see
It's killing me, that she wants to be free
She's leaving me now

She's lost, and full of lies
And I tell her so, but she don't mind
Cuz she's in love, with the tears she cries
And I just kiss my love goodbye

Oh love can be turned away
But it always comes back someday
And love can be turned away
But it always comes back Hey

She's lost, and full of lies
And I tell her so, but she don't mind
Cuz she's in love, with the tears she cries
And I just kiss my love goodbye

Ooh Goodbye

Goodbye
