I still regret I turned my back on you
No one makes me feel the way you do
never meant to cause you trouble
never meant to do you harm
I was weakened by temptation's wing of charm

I want to be forgiven
I want to hold you in my arms again
to be forgiven
cause I still need a friend
I want te be forgiven
I want to hold you in my arms again
to be forgiven cause I still need a friend
I want to be forgiven

almost drowning in the sea of sin
can you ease the pain I feel within
Never meant to cause you trouble
never meant to do you harm
I was weakened by temptation's wing of charm

chorus

Never meant to cause you trouble
Never meant to do you harm
I was weakened by temptation's wing of charm x2

chorus x2
