love is an angel  
holding you tight  
love is an angel  
standing by your side

are you an angel  
are you a guide  
where is the answer  
where is the light  
are you my veingious  
are you my pride  
are you a stranger  
heaven decides

all this time i'm waiting  
i was anticipating  
for a love like you  
a love that is always true

boy you got me dreaming  
find it hard believing  
in a love like you  
a love that is always true

love is an angel  
holding you tight  
love is an angel  
standing by your side

are you an angel  
are you a guide  
where is the answer  
where is the light  
are you my veingious  
are you my pride  
are you a stranger  
heaven decides

all the tears i've been crying  
i was slowing dying  
for a love like you

a love that is always true

boy you got me dreaming  
find it hard believing  
in a love like you  
a love that is always true

are you an angel  
are you a guide  
where is the answer  
where is the light  
are you my veingious  
are you my pride  
are you a stranger

love is an angel  
holding you tight  
love is an angel  
standing by your side

are you an angel  
are you a guide  
where is the answer  
where is the light  
are you my veingious  
are you my pride  
are you a stranger  
heaven decides
