Now that the night's almost over
Now that the song's all sung
We're standing alone in the moonlight
And neither one wants to go home

A breeze from the sea makes me shiver
I want you to cuddle me tight
Then kiss me and say it's forever
And I'll be still with you tonight

Lay by my side, turn out the lights
Lay by my side, it feels so right
Acuestate conmigo
Acuestate conmigo

Walking the streets by the harbor [Ahh..]
Humming the sweet melody
I just wanna know that you love me
And I'll be as good as can be

Oh, tomorrow you know I must leave you [Ahh..]
But I will return to you soon
So, kiss me and say it's forever
And then take me up to your room

Come lay by my side, turn out the lights
Lay by my side, it feels so right
Acuestate conmigo
Acuestate conmigo

Lay by my side, turn out the lights
Oh, lay by my side, it feels so nice
Acuestate conmigo
Acuestate conmigo

Lay by my side, turn out the lights
Oh, lay by my side, it feels so right
Acuestate conmigo
Acuestate conmigo
Acuestate conmigo
Acuestate conmigo

Acuestate conmigo
Acuestate conmigo
Acuestate conmigo
Acuestate conmigo
