There is always another girl to take a lucky woman's  
ma-an  
There is always another girl to change a lucky woman's  
ma-an  
Only if you love him like no other, he won't be another  
lover  
And you'll be a lucky girl

I know what I'm talking about  
I lost the one I love because I didn't see it

There is always another girl to take a lucky woman's  
ma-an  
There is always another girl to change a lucky woman's  
ma-an  
Only if you love him like no other he won't be another  
lover  
Listen to what I say

There is always another girl to change a lucky woman's  
ma-an  
There is always another girl to change a lucky woman's  
ma-an  
Only if you love him like no other he won't be another  
lover  
And you'll be a lucky girl

Take my advice and be careful how you love the one  
you're with  
Because one thing is for sure

There is always another girl to change a lucky woman's  
ma-an  
There is always another girl to change a lucky woman's  
ma-an  
Only if you love him like no other he won't be another  
lover  
Listen to what I say

There is always another girl to change a lucky woman's  
ma-an

There is always another girl to change a lucky woman's  
ma-an  
Only if you love him like no other he won't be another  
lover  
Listen to what I say

There is always another girl [fade]
