"City In The Sun"

wishing and shouting day after day
never meaning what you say
striving and fighting, seeking and hiding
bet your life, bet your life
working and crouching year after year
never showing what you hear
hoping and waiting, counting and praying
ain't no lie, ain't no lie
fly, fly, fly
fly, fly, fly
there's a city in the sun
where there's room for everyone
come with me and you will see
there's a city in the sky
when the dark clouds all went by
I'm talking about the city of love
making you happy, wearing a smile
lonely walking mile after mile
cold winds blowing, emptiness growing
bet your life, bet your life
pushing and shoving day after day
never meaning what you say
striving and fighting, seeking and hiding
ain't no lie, ain't no lie
fly, fly, fly
fly, fly, fly
there's a city in the sun
where there's room for everyone
come with me and you will see
there's a city in the sky
when the dark clouds all went by
I'm talking about the city of love
fly, fly, fly
fly, fly, fly
there's a city in the sun
where there's room for everyone
come with me and you will see
there's a city in the sky
when the dark clouds all went by
I'm talking about the city of love
there's a city in the sun

where there's room for everyone
come with me...
