Get it up, get it up
Ooh... get it up, sweet baby
Get it up, get it up
Mm... I don't mean maybe
Get it up, get it up
Love your lady
Get it up, get it up
Don't be so lazy

There you go, talking on the phone (get, get, get, get,
get it up)
I got no time to get it on (get, get, get, get, get it up)
Can't you see we're all alone? (get, get, get it)
Put a record, baby
Show me how you gonna love your lady

Get it up, get it up
Get it up, sweet baby
Get it up, get it up
Mm... I don't mean maybe
Get it up, get it up
Uh.. (uh..) love your lady
Get it up, get it up
Don't you be so lazy

There you go, scratching on your head
(get, get, get, get, get it up)
And you don't know what's in your bed
(get, get, get, get, get it up)
Can't you see if they're all gone? (get, get, get it)
Aw, put a record, baby
I'll show you how I'm gonna drive you crazy

Get it up, get it up
Ohh yeah, get it up, sweet baby
Get it up, get it up
Uh, I don't mean maybe
Get it up, get it up
Love your lady
Get it up, get it up
Don't you be so lazy

I don't have to go to school (get, get, get, get, get it up)
Learn about, 'bout that golden rule (get, get, get, get, get,
get it up)
I'm gonna teach the rule to you (get, get, get it)
Whatever I do to you [laughs]
You're gonna do it to me, too

Get it up, get it up
Get it up, sweet baby
Get it up, get it up
I don't mean maybe
Get it up, get it up
Uh, love your lady
Get it up, get it up
Don't you be so lazy

Now here we are sitting all alone (get, get, get, get, get
it up)
You wanna go out and have some fun
(get, get, get, get, get it up)
Get on the floor and doing the bump (get, get, get it)
Aw, put it on me, honey
All I wanna do is go spend your money, ow!

Get it up, get it up
Get it up, sweet baby
Get it up, get it up
Uh.. I don't mean maybe
Get it up, get it up
Oooo! Love your lady
Get it up, get it up
Good God! Don't be so lazy
