I'm not a slot machine  
If you know what I mean  
I'm not a slot machine  
I'm not made out of tin  
I'm not a gambler's toy  
That is build for your joy  
I'm not a slot machine  
Then you'll know what I mean

You don't understand  
That I'm not a slot machine  
If you know what I mean  
I'm not a slot machine  
That is why you can't win  
I'm not a pinball game  
I gotta tell you again  
I'm not a slot machine  
Bet you know what I mean

You don't understand  
That I'm not a slot machine  
I'm not a slot machine  
I'm not a slot machine  
I'm not a slot machine
