Hey, I'm glad you came in here tonight
I'm so itchin' to dance I can't stand it
And I was countin' on dancin' with you

It's a Saturday night and I feel alright
So come on, let's dance (look at me)
All I wanna do is to bump with you
So come on, let's dance (look at me) - tonight
When we hear the music play - you might
Learn from me in every way...

They call me lady bump, lady bump, it's no lie (ahh...)
Lady bump, lady bump, just the music takes me high
They call me lady bump, lady bump, my oh my (ahh...)
Lady bump, lady bump, look at me if you know why

No, I don't need a break 'cause my hips got to shake
So come on, let's dance (look at me)
When I feel your touch, baby it's to much
Oh come on, let's dance (look at me) - tonight
When we hear the music play - you might
Learn from me in every way...

They call me lady bump, lady bump, it's no lie (ahh...)
Lady bump, lady bump, just the music takes me high
They call me lady bump, lady bump, my oh my (ahh...)
Lady bump, lady bump, look at me if you know why

Look at me

They call me lady bump, lady bump, it's no lie (ahh...)
Lady bump, lady bump, just the music takes me high
They call me lady bump, lady bump, my oh my (ahh...)
Lady bump, lady bump

Lady bump, lady bump, hoo-hoo-hoo (ahh...)
Lady bump, lady bump, just the music takes me high
They call me lady bump, lady bump, hoo-hoo-hoo
(ahh...)
Lady bump
