Let's go down to L. A.  
There is just a night away

Got a ticket for a train  
I don't wanna take a plane

Wanna be close to you  
In a section just for two

Are you ready to go?  
Can't you hear the whistle blow?

Baby, yea-ea-eah  
Let's take the night train  
Ooooh, take a night train  
Let's make all night long

Love in a sleeper, oh-oooh  
Love in a sleeper, oh-oooh  
Hear the rhythm of the rolling wheels and rock me,  
rock me right  
We're making love in a sleeper, oh-oooh  
Ahhh

Let's go down to L. A.  
There is just a night away

Let it flow, let it come  
While the train keeps moving on

Baby, come on  
Let's take the night train  
Let's take the night train all night long  
Let's make all night long

Love in a sleeper, oh-oooh  
Love in a sleeper, oh-oooh  
Hear the rhythm of the rolling wheels and rock me,  
rock m right  
We're making love in a sleeper, oh-oooh  
Ahhh

Uh, uh, uh, uh, uh  
Uh, uh, uh, uh, uh

Let's make love in a sleeper, love in a sleeper  
Love in a sleeper, love in a sleeper  
Love in a sleeper, love in a sleeper  
Love in a sleeper, love in a sleeper

Uh, uh, uh, uh, uh  
Uh, uh, uh, uh, uh

Let's make love in a sleeper, love in a sleeper  
Love in a sleeper, love in a sleeper  
Love in a sleeper, love in a sleeper  
Love in a sleeper, love in a sleeper

Love in a sleeper, oh-oooh  
Love in a sleeper, oh-oooh  
Hear the rhythm of the rolling wheels and rock me,  
rock me right  
We're making love in a sleeper, oh-oooh  
Love in a sleeper, oh-oooh  
Hear the rhythm of the rolling wheels and rock me,  
rock me right  
We're making love in a sleeper, oh-oooh  
Love in a sleeper, oh-oooh
