Burning fire
Higher, higher, higher
Sweet desire
Higher, higher, higher
I'm gonna fly you
Higher, higher, higher
Satisfy you
Higher, higher, higher

Go on a mission to Venus, uh huh
A trip you'll never forget
A mission to Venus, uh huh
A trip you'll never forget
A trip that you will never forget

This feeling is thrilling
Higher, higher, higher
Ooh, what a feeling
Higher, higher, higher
Now we are grooving
Higher, higher, higher
Keep on moving
Higher, higher, higher

Go on a mission to Venus, uh huh
A trip you'll never forget
A mission to Venus, uh huh
A trip you'll never forget
A trip that you will never forget

[interlude]

A spaceship is called love
A spaceship is called love
A spaceship is called love
A spaceship

It's on a mission to Venus, uh huh
A trip you'll never forget
A mission to Venus, uh huh
A tip you'll never forget

A mission to Venus, uh huh
A trip you'll never forget
A mission to Venus, uh huh
A trip you'll never forget

A mission to Venus, uh huh
A trip you'll never forget
