Our love is like a song  
But I'll sing my whole life through  
Please don't change the chords of this lovely song  
And I won't stop loving you

Our love is like a song  
Like a tender melody  
Please don't change the chords of this lovely song  
And we'll live in harmony

La la la la la la la  
La la la la la la la  
La la la la la la la la la la  
La la la la la la la

Our love is like a song  
Sometimes happy, sometimes blue  
Please don't change the chords of this lovely song  
And I won't stop loving you

Our love is like a song  
Like a tender melody  
Please don't change the chords of this lovely song  
And we'll live in harmony
