Can't hold back this feeling, uh-huh
Ohh, it's so strong
Please don't keep me waiting, uh-huh
Mmm, let's get it on

I don't care for admiration, conversation, education,
Disretation, conformation, consideration, no, no
Can't hold back this feeling, uh-huh
Ow! It's so strong, mm-hmm

Take me, shake me, wake me, uh
Make me a woman, that's all I want
Take me, shake me, wake me, uh
Make a woman, yeah, that's it
Touch me, squeeze me, kiss me tenderly
Pour some all your good, babe
The more I like it, come to me
Take me, shake me, wake me, uh
Make a woman

I can't wait much longer, uh-huh
Oh, can't you see?
My love can get stronger, uh-huh
Mmm, come closer to me

I don't care for admiration, conversation, education,
Disretation, conformation, consideration, no, no
I can't wait much longer, uh-huh
Ohh, can't you see?

Take me, shake me, wake me, uh
Make me a woman, that's all I want
Take me, shake me, wake me, uh
Make a woman, yeah, that's it
Touch me, squeeze me, kiss me tenderly
Pour some all your good, babe
The more I like it, come to me
Take me, shake me, wake me, uh
Make a woman

Take me, shake me, wake me, uh

Make me a woman
Take me, shake me, wake me, uh
Make me a woman

Take me, shake me, wake me, uh
Make me a woman
Take me, shake me, wake me, uh
Make me a woman
