Woh-woh-woh-woh
Thankyou Mr D.J.
Your sweet music made me fall in lo-o-o-ove
Once again I'm dancing
While the lights are shining low and soft

Thankyou Mr D.J.
That's the night that I've been waiting for-or-or-or
So Mr D.J. play your melody once more

Woh-woh-woh-woh
Thankyou Mr D.J.
Your sweet music made my dreams come true-ue-ue-
ue
While you played your love song
He was whispering that he loves me too

Thankyou Mr D.J.
From now on my life won't be the sa-a-a-ame
So Mr D.J. play your music once again

Thankyou
Thankyou
Thankyou Mr D.J. ...
