He's the boy with the ooh la la
See a boy with the ooh la la
Oh, a boy with the ooh la la

He's the boy with the ooh la la
He's the boy with the ooh la la

He can't dance, he can't sing
But he's got everything

He's the boy with the ooh la la
See a boy with the ooh la la

He's not wild, he's not street
But he's got what I need

He's the boy (the boy, the boy) with the ooh la la
See a boy (a boy, a boy) with the ooh la la
Oh, a boy (a boy, a boy) with the ooh la la
