Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman
Let him stay with me

She's a voodoo woman
I knew it from the start
She's a voodoo woman
She's gonna break my heart

She's a voodoo woman
She made a puppet man
It's just like my baby
To soothe her evil plan

Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman
Let him stay with me

Voodoo woman
My baby made her cry
She couldn't get his loving
Now she wants him to die

She's a voodoo woman
I know her evil plan
She'll take a sliver needle
And pierce a puppet man

Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman
Let him stay with me

Voodoo, voodoo woman
Voodoo, voodoo woman

Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman

Let him stay with me

She's a voodoo woman
I knew it from the start
She's a voodoo woman
She's gonna break my heart

Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman
Let him stay with me

Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman
Let him stay with me

Voodoo, voodoo woman
Set my baby free
Voodoo, voodoo woman
Let him stay with me
