Are you afraid of things that go bump in the night?  
Behind closet doors are things when you turn out the  
light  
Don't be afraid of the night, there's a light in the dark  
burning bright  
Don't be afraid, don't be afraid, don't be afraid of the  
light

Come inside our world, an oyster 'round a pearl  
You'll all be safe inside, a perfect place to hide, you'll  
see  
Fun by decree  
Ride above the storm, the average and the norm  
A newfound ecstasy, a wild fantasy come true  
This one's for you  
Oh, welcome to our show  
Oh, welcome to our life  
Just follow me and you'll set yourself free  
Now won't you come out and play

Come out and play, come on out and play  
Come out and play, come on out and play  
Come out and play, come on out and play  
Come out and play, come on out and play

Join our cavalcade, enter the world you made  
We're only here for you to do what you won't do, you  
know  
On with the show  
A place where fallacy becomes reality  
We'll spin your head around, we're programmed to  
astound, stand by  
Prepare to fly  
Oh, welcome to our show  
Oh, welcome to our life  
Just follow me and you'll think that you're free  
Now won't you come out and play  
Come out and play, come on out and play  
Come out and play, come on out and play  
Come out and play, come on out and play  
Come out and play, come on out and play
