I Wanna break the spell that you've created  
I wanna play the game and entertain you  
I tried to give you up but I'm addicted  
I see you from a far you're taking notice

What if we would have done, things that we never did?  
What If I should have seen, things that I never saw?  
Maybe I should have cared, more than I thought I did?  
What if we're face to face, could we make up and  
embrace?

What If We Could Talk It Over?  
If Only We Could Somehow Find A Way  
Maybe We Can Start All Over?  
If Only We Weren't Breaking Up Today

What's your hesitation, wheres my attention?  
I don't know where to look, I watch my secret  
I'm running out of time and faith and reason  
Another lonely hero picking up pieces

What if we would have done, things that we never did?  
What If I should have seen, things that I never saw?  
Maybe I should have cared, more than I thought I did?  
What if we're face to face, could we make up and  
embrace?

What If We Could Talk It Over?  
If Only We Could Somehow Find A Way  
Maybe We Can Start All Over?  
If Only We Weren't Breaking Up Today

What If We Could Talk It Over?  
If Only We Could Somehow Find A Way  
Maybe We Can Start All Over?  
If Only We Weren't Breaking Up Today

I just want it back again, don't pretend this is the end  
Cause I'll never feel the way that I used to  
I just want a second chance  
I'll take the blame and make amends

Cuz Iâ€™ll never feel the way that I used to

What If We Could Talk It Over?  
If Only We Could Somehow Find A Way  
Maybe We Can Start All Over?  
If Only We Werenâ€™t Breaking Up Today

You Are You Have You Like You Love You Stress You  
Talk  
A Little Too Much  
You Bluff You Hate You Sing You Say You Make You Use  
A Little Too Much  
You Sleep You Drink You Know You Walk You Stop You  
Come  
A Little Too Much  
You Cry You Lie You Start You Breathe You Die You See.
