I'm holding on your rope  
Got me ten feet off the ground  
And I'm hearing what you say  
But I just can't make a sound

You tell me that you need me  
Then you go and cut me down, but wait  
You tell me that you're sorry  
Didn't think I'd turn around and say

It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

I'd take another chance, take a fall  
Take a shot for you  
And I need you like a heart needs a beat  
But that's nothing new, yeah yeah

I loved you with a fire red  
Now it's turning blue, and you say  
Sorry like the angel, heaven  
Let me think was you, but I'm afraid

It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late

Holding on your rope  
Got me ten feet off the ground  
I'm hearing what you say  
But I just can't make a sound  
Let's go

It's too late  
It's too late to apologize  
It's too late  
I said it's too late to apologize  
It's too late, it's too late

It's too late to apologize, yeah yeah  
It's too late to apologize, yeah yeah

I'm holding on your rope  
Got me ten feet off the ground
