This conversation  
Always ends  
With goodbye!

You're standing here behind the door  
You're waiting with your robe

Maybe you just have to sleep  
In someone else's bed  
Maybe you just have to keep  
Searching for something  
Better than perfect  
Which you know will never exist it's  
Cut and torn

There's no defense like!  
A good offense!  
You know this!

The clock is running down on me  
There's no way I can win

Maybe you just have to sleep  
In someone else's bed  
Maybe you just have to keep  
Searching for something  
Better than perfect  
Which you know will never exist it's  
Cut and torn

I've known this! All along  
I loved you anyways  
Despite all your deceit

This time I'm with you!  
I've been faithful!  
How I would have felt!

Now all we have  
Left are bodies and words  
I can't be a boy forever!

Maybe you just have to sleep  
In someone else's bed  
Maybe you just have to keep  
Searching for something  
Better than perfect  
Which you know will never exist it's  
Cut and torn
