The endings the same
Past mistakes that you made
Come back to haunt you

I made a mistake
I wish I could take back everything that I did
I wanted to tell you, I really did
But how do I explain this?

Promise me, you will be there
Until the red light will change
I would wait forever

Promise me, you will stay here
Until the darkness will fade
I'd wait for you, you

A mistake, wish I could take
Back everything that I did
I wanted to tell you, I really did
But how do I explain?

I wanted to tell you
What really happened
How do I explain this?
How do I explain everything?

Promise me, you will be there
Until the red light will change
I would wait forever

Promise me, you will stay here
Until the darkness will fade
I'd wait for you

All this time and I'm all on my own, awake
(Wait for you)
All this time and all on my own, by myself
(Wait for you)

I'd wait for you, for you
I'd wait for you
