I can't believe, that I can be  
Full of so much hate  
Another hero dies, the devil lives  
The people hide their shame

Lies were spoken  
Bonds were broken  
Can he ever change?  
Turn your back and  
Run away as fast as you can  
Don't mark your name

Every day she comes  
That's what it takes  
Add the heart to harm  
And this for yourself  
You shot the only thing you love

Lies were spoken  
Bonds were broken  
Can he ever change?  
Turn your back and  
Run away as fast as you can  
Don't mark your name  
Yeah!

Sunshine turns to darkness everyday  
The fragile far from honesty  
Losing faith

I can't believe  
No sides in love  
Guilty hearts can mend  
I know myself  
I've killed him  
I'll do it again

Lies were spoken  
Bonds were broken  
Can he ever change?  
Turn your back and  
Run away as fast as you can

Don't mark your name  
Yeah!
